

STRIPE COLLECTION

by Lagranja Design

The defining feature of the Stripe Collection lies in its distinctive lines, creating a dynamic and refined aesthetic. Its signature weaving is not just a decorative element but an integral part of the structure, providing both strength and flexibility. A modern touch that remains true to its natural and organic essence. Beyond its striking appearance, Stripe is designed for durability and functionality. Crafted from weather-resistant teak, it withstands various outdoor conditions without compromising comfort.
