

Grao Collection by La Mamba Studio

Grao Collection is a manifestation of how the Mediterranean and Asian influences come together in harmonious design. This collection reflects a seamless blend of cultures. Like a universal language that connects traditions, the use of rope in Grao allows its design to adapt effortlessly to various outdoor spaces. With a refined texture, dynamic patterns, and uniquely structured rope fabric that interacts with its surroundings, Grao seamlessly integrates into any setting. Whether in a tropical garden, an urban rooftop, or a beachfront villa terrace, Grao brings an elegant and natural touch to every space.
