

Kuda Collection by DMDIO Studio

Inspired by the noble essence of the horse—symbolizing endurance, grace, and freedom in Indonesian culture—the Kuda Collection embodies strength and refined beauty. Just like the majestic animal, Indonesian teak shares the same characteristics: durable, resilient, and built to withstand the test of time. Merging the spirit of nature with exceptional craftsmanship, Kuda is more than just a furniture collection—it is a statement of authenticity. Designed and meticulously crafted in Indonesia, each piece brings together the organic essence of teak with bold, structured forms, creating a perfect balance of character and function for outdoor spaces around the world.
