Aeris Collection by Robin Rizzini

When designing the Aeris collection, I envisioned a scene of people enjoying each other's company—engaging in conversation, relaxing, or dining together. Imagine a glass of wine surrounded by nature's vibrant hues, a gentle breeze, the scent of the sea, and the aroma of summer blooms—a true celebration of our beloved earth. This collection celebrates purity in materials. It features the natural elegance of teak paired with the sleek, technical allure of aluminum. These elements are gracefully united by rope, symbolizing both connection and comfort, and bringing the circle of this lightweight, refined collection to a harmonious close.

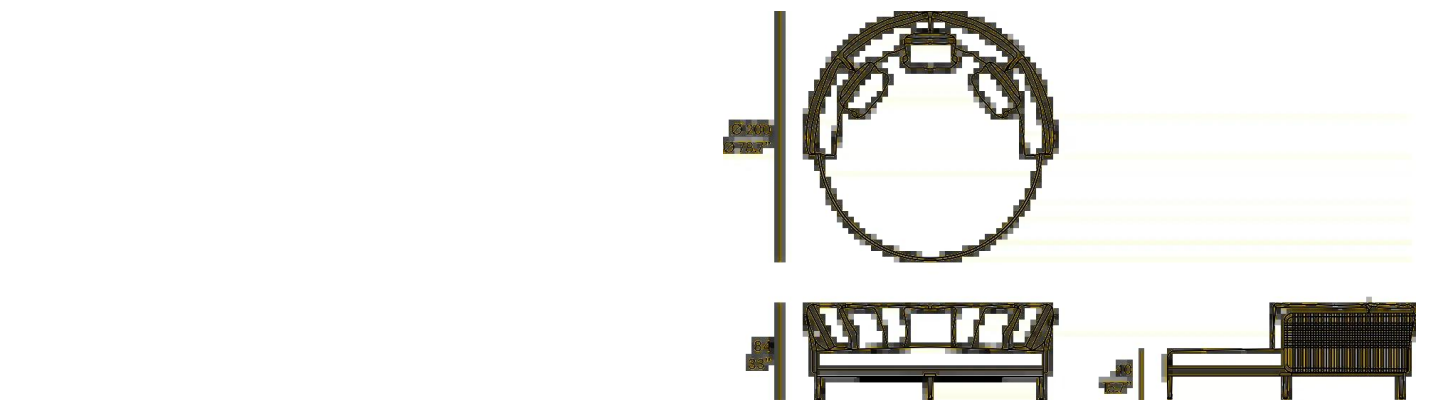

Structure Solid teak wood FSC 100% and Aluminum powdercoated textured. Rope Polypropylene UV protected. Fittings Stainless steel 304. Glides PA rubber. Cushions Available in high density foam or quick dry foam, both antibacterial and fire retardant, compliant with California standard USA. Cushion Finish Synthetic dacron sheet, protective nylon cover SPC, zipper head, and restyling nylon yarn. Packaging Carton box double wall K275, plastic free.
