Lena Collection by Made Studio

Rooted in a design philosophy of balance, Lena seamlessly combines two defining elements—woven-patterned textiles rich in texture and inviting curved forms. More than just a visual statement, these details enhance both aesthetics and the comfort of every seating experience. Designed to create a serene and flowing atmosphere, Lena doesn't just fill a space—it refines it. Every detail is thoughtfully crafted, making this collection a true representation of harmony between aesthetics, comfort, and expert craftsmanship.
